Dear: Paom.

Hello! How are you? And how about your family? I think you will be happy when you see my letter and I hope to see you in Cambodia when do you want to come to Cambodia? I'am very happy that I can write to you and I'am thankful to you because you can support to study and pay the money for my study at university and buy the things for my studying. Now, I can study English with all the girls and I try to study hard. when I grow up I want to be a doctor because, I want to help the people in my country and I can help my self and my family. Finally, I wish you success in your Job and have a good health.

With my love.

Sroeun.
