

Cambodian Village Fund—Trip to Battambang and Prey Touch Commune

January 23-29, 2020

Join us in Cambodia and get to know the “real” Cambodia, where we have been working for the past 13 years. You can meet our scholarship students, see the schools we have built, watch a soccer match in our stadium, teach in our English program, visit families in the rural villages and see how Cambodians live. You can also participate in community service projects; learn about Buddhism and meditation; have a lesson in Khmer cooking and get to know the Cambodian culture.

This 6-day adventure will be based in Battambang, a beautiful, laid-back city with great restaurants and hotels. You will stay in our favorite hotel in Cambodia, the Bambu Battambang, with a beautiful pool and the best bar in Battambang. Great food, too!

Dates: Activities begin **January 23, 2020**—Make your own flight arrangements to arrive in Battambang by 5:00 p.m. on Thursday, January 23, 2020. Keep in mind that you will cross the international dateline and loose a day in transit. If you are taking the Pre-trip to Phnom Penh, transportation to Battambang via private minibus is included.
